OPTIONS

Hire

The hire option comes into play when 'you' as the event organiser do not want your event attendees to be charged to use our activity.

Hire rates are calculated on both half and full day options. Dates can be booked in advance via our online system where a deposit payment is required to secure the booking.

This option is particularly suited to weddings and private parties.

TimberJacks Charges Event Attendees

This option is where 'you' as the event organiser would prefer for your event attendees to be charged by TimberJacks Clubs Ltd to use our activity.

Typically, charges to event attendees average £3 per play. We do require a minimum event attendance of 300 with an age range of 18-45 accounting for over 70% of the event attendance.

TimberJacks Pays Event Entrance Fee & Charges Event Attendees

This option is for typically larger scale events where attendance is in excess of 1000 people. TimberJacks Clubs Ltd actively seeks such events and does welcome invitations from organisers to attend such events on a paid entry basis.

TimberJacks.club

Please find below our current hire price list. All options can be booked online with a deposit payable to secure your booking. Should you have any questions prior to booking please email us at info@timberjacks.club
